Level 2 Training

Training Information 2012-2013

The Catechesis of the Good Shepherd (CGS) training is a unique experience for the Adult. Level 2 formation dives deeper into the mysteries introduced in the Level 1 experience.

Jesus our Good Shepherd is the central theme in our experience in the L1 Atrium. We are building a loving relationship with the Good Shepherd by discovering the love that is gifted to us in this relationship. In Level 2, we will continue this relationship though it depends as Jesus tells us in John 15:1-11, I am the vine you are the branches. This attachment to Jesus comes with responsibilities to ourselves and others. We will discover our role in this sacred history.

Through a retreat like experience the catechist will be prepared to work with children in this 6 to 9 Atrium. This is an important time in that you will be celebrating with them their first Eucharist and Reconciliation. We will have to joy of celebrating together.

Atrium Material

Working with the material after a presentation is the best way to deepen the understanding of the work. An Atrium experiences will allow you to spend time with the presentations working independently or in a group. Making the material used in the Atrium will also help you deepen your understanding of the scripture. We will have many opportunities to work and create material for the Level 2 child.

Meet the Formation Leader

Elizabeth Piper: Focuses on experience in the Atrium working with the material during training. Through discussions the participants dive deeper into the doctrinal content of the presentations. Wondering what is the essential point God wants us to hear?
